

Pottery Market Commission

Our commission structure is meant to allow market participation for new potters as well as long established members with home studios.

Commission is tiered. Credits can be earned to reduce your commission to a minimum of 15%.

- First credit is a 5% reduction to commission rate (19%)
- Second credit is a further 2% reduction to commission rate (17%)
- Third credit is a further 2% reduction to commission rate (15%)

Possible credits you can earn:

- **North Mount Pleasant Arts Centre Members' Studio time**
 - One credit for each month of paid studio time at NMPAC
 - Credit for each month can be used only once and must be within the calendar year of the Market
 - You must show proof of payment (a copy of either your payment receipt, studio hours tracking card, bank/credit card statement info, etc) to the Market committee via email or in person no later than Saturday of the Market weekend or you will not get the claimed commission reduction. We do **NOT** require confirmation from the North Mount Pleasant Arts Centre office.
- **MPPG Committee Member**
 - One credit for current Sale Committee, Education Committee, Website and Social Media Committee
- **MPPG Board Member**
 - Three credits for active MPPG board participation either as an elected member or a designated committee representative who attends board meetings.

Some example commission calculations:

- No credits => 24%
- One month paid studio time at NMPAC gets 1 credit => 19%
- Two months paid studio time at NMPAC gets 2 credits => 17%
- Three months paid studio time at NMPAC gets 3 credits => 15%
- Sale committee member gets 1 credit => 19%
- Sale committee member + 1 month at NMPAC gets 2 credits => 17%
- Designated committee member + 2 months at NMPAC gets 3 credits => 15%
- Active board participant for 3 credits => 15%
